

Dyslexia Screening Checklist

Things to look for...

If the answer to many of these questions is 'yes' please contact us to seek further advice.

- Is there anyone else in the family with reading/writing difficulties?
- Were there any delays in learning to talk?
- Are there any difficulties carrying out instructions?
- Are there particular difficulties with reading or spelling?
- Are there concerns regarding concentration?
- Is it more difficult to put answers in writing than to answer orally?
- Are there any difficulties processing the sounds in words?
- Are there any difficulties with note taking or copying?
- Are there any difficulties planning written tasks such as letters/essays/reports?
- Is reading tiring?
